Incident Narrative
EPD 15-07-032

On Tuesday, July 7th 2015 I, Officer Cody Martinez was dispatched to North New Mexico College, 1002 North Paseo De Oñate, in reference to a larceny that occurred.

I arrived at said location and spoke with the head of security, John Waters, and he informed me an employee had taken an iMac computer but returned it at a later date. Mr. Waters informed me an Apple computer went missing from the Fine Arts office and Mr. Waters was asked to review security footage and found that on June 8th Mr. Williams had entered the office and was seen removing the computer and keyboard from the office and wrap the items in a blanket and place the items in the back of his vehicle. Mr. Waters informed me that is a common practice at the college, employees are allowed to take their computers home for work related instances. Mr. Waters then informed me he spoke with Mr. Williams via telephone and asked him where the computer was and Mr. Williams said he did not know, Ted had the computer last. Mr. Waters then explained to him that he was seen on video grabbing it and placing it the back of his vehicle. Mr. Williams then contacts Human Resources Director Bernie Padilla and claimed that Mr. Waters was harassing him.

Mr. Williams then contacted Mr. Waters and Jimi Montoya and said he didn't know where the computer was but he would look for it. On June 17th at an unknown time, Mr. Williams returned the computer and claimed his mother accidentally unloaded the computer but he secured it and returned it to the school. Mr. Waters informed me the computer had Northern New Mexico tag on the computer but the tag was taken off and the computer was erased of all school related programs. Mr. Williams resigned from his employment on June 19th 2015. Mr. Waters and Mr. Montoya informed me they did not wish to press charges on Mr. Williams because the computer was returned.

Therefore, this will NOT be forwarded to the District Attorney's Office or Criminal Investigation Division. This case is now labeled as closed.

Report Write Up

On June 12th at approximately 1500hrs I, John Waters Security Supervisor, received an email concerning a missing iMac computer from Dorris Hernandez, Fine Arts employee. For the next several days I received several email from Jimi Montoya, IT Director, and Lisa Przyllas also concerning the missing iMac. I was given dates of 5/21/2015 to 6/12/2015 to review video.

After several days of reviewing video I discovered the below information.

On the above date and time Jerome Williams bookstore manager entered fine arts with facilities worker Ted Griffith. Jerome was carrying a lanyard at the time and nothing else. Both Ted and Jerome entered room 205 and remained in there for less than 2 minutes. Upon exiting Jerome was seen carrying a iMac Computer with keyboard. Ted was walking with him but was carrying nothing. Both individuals walked towards the south parking lot where Jerome's gray GMC was parked. Ted entered the passenger side and sat down, Jerome placed the iMac in the rear hatch then entered the drivers side. Jerome drove Ted to the North Administration (Admin) entrance Jerome exited the vehicle first and immediately headed to the rear hatch of his vehicle. He did not open the hatch, instead he retrieved a blanket from the back seat then opened the rear hatch. He took the blanket and wrapped the iMac with the blanket then laid it down in the empty rear hatch. Ted stood near by watching but never placed his hands on any part of the computer at any time. After laying it down Jerome closed the rear hatch, shook Ted's hands, then drove off in his vehicle through the Teacher Education Center exit. Ted entered Admin empty handed and walked towards facilities.

Added Notes...

- John Waters 6/19/2015 9:09 AM

06/19/2015 0900hrs. Upon entering work this morning I was informed that Jerome Williams has resigned from his position as bookstore manager.

- John Waters 6/19/2015 1:09 PM

06/19/2015 1130hrs. I attempted to contact Jerome Williams concerning the safe and how to open it. He in turn contacted Bernie Padilla (Human Resources Director) stating that I was harassing him. I explained to Bernie that I was contacting him for business reasons. I was advised through Bernie that I should contact Jerome through him or Ricky Serna (VP).

- John Waters 6/19/2015 1:22 PM

06/17/2015 1200hrs. After seeing video I immediately contacted Jimi Montoya (IT Director) to show him where the missing computer went. We both saw Jerome Williams and Ted Griffith on video with Jerome carrying the computer. At that moment Jerome knocked on my door so we decided to question him about the computer. Jerome stated that he thought Ted had the computer. We called Ted and put him on speaker phone and asked him if he knew the whereabouts of the computer. Ted stated that he last saw it with Jerome. Jimi again asked Jerome of the location of the computer to which Jerome appeared nervous and said that he was sure Ted had it but that if didn't he wasn't sure where it was. At that point Jerome left the office. Jimi stated that he thought that Jerome was nervous. I agreed but explained to him that we still need to complete the investigation before any conclusions can be made.

- John Waters 7/1/2015 11:17 AM

On 7/1/2015 I was informed by Bernie Padilla HR manager that we will be filing a police report concerning this incident. The computer is currently being backed up by I.T. and will be returned to FA 105 to the new interim Music Director.
